ACTIVITY DETAILS

📍 Mt Roskill Primary School | 37A Frost Road, Mount Roskill, Auckland

💰 From \$14.50 to \$26.00 per session | Further discounts may apply.

After school every day you can be sure your children are safe and secure, enjoying a range of fun activities and making new friends!

About Our After School Care Programme

The Village Square Trust is proud to run the before and after school care programmes for Mt Roskill Primary and Intermediate Schools. At after school care, children spend their afternoons safe and happy as they wind down from the busy school day. Activities they can choose from include colouring, chess, crafts, board games and Lego blocks as well as our daily activities linked with our weekly themes. We encourage outdoor play as much as possible and have use of the hall, sheltered quad and outdoor playground. We serve the children a healthy afternoon tea that is halal and vegetarian friendly.

Sessions and Pricing

- **3pm - 4pm:** \$14.50 for regular bookings and \$19.50 for casual bookings
- **3pm - 5pm:** \$18.50 for regular bookings and \$26.00 for casual bookings

Parent feedback 2023-2024

(Epsom Normal Primary School, Balmoral School, Our Lady of the Sacred Heart School)

"The team is very good, and I know my kid is in good, capable and responsible hands."

"Child safety and happiness are the most important parts, and you guys made it."

"Themes are cool, keeps them interested and engaged and wanting to attend."

"My sons love the water play."

"The teachers are nice and willing to interact with the children"

"Lovely staff, and always happy kids at pick up."

"He loves after school care. Struggles at times with myself leaving in the mornings but the staff are amazing at supporting him and calming him down. They know him very well now and understand what helps him"

"_____ is excellent. Often seen sitting and playing with the kids on the floor or on the drawing table. Very warm and approachable. The kids feel at ease to ask _____ for breakfast/toast etc"

"The people who run the programme are lovely. They make sure everyone is safe and happy. They communicate well."

"Lovely program, daughter is always happy at pick up. I do think it could have a few more activities, but otherwise happy."

"Our daughter enjoys the after-school program - particularly interacting with the leaders and older kids. She has also picked up good skills via those interactions - dribbling a basketball and learning chess."

"Teachers are always really hands on, involved, and know what is going on with the kids. They clearly interact genuinely, with care and take time with the children, which is really appreciated. I always am told what is going on, even if the teacher just notices a change in the child's mood or energy."

"Staff always know what is going on and know the kids well, and what has been going on with them, their needs, and any issues. They look after my kids, and I have found all the staff to interact at the right level with my kids - fun but also firm and clear on boundaries and behaviour. I appreciate the handover and communication on any issues so that I can take the same approach with my kids at home."

"Always find her doing something there when I pick her and generally happy."

"He has always been happy to attend."

"My kids haven't come often but always want to - they ask to go - that's certainly a good sign!"

"I really like the activities introduced in the last term like taekwondo. I would like to see a learning activity like this every day."

"My son has enjoyed his time in after school care. Really liked the introduction of 'themed' days for after school care."

"I have already recommended the program to a couple of parents, and they've got their kids enrolled too."

"It is convenient for working parents and the children are collected from their class. There are activities on certain days to engage the children to try something new and learn a new skill."

"I would just like to say thank you to the team who works hard in looking after the kids. It is a hard job, but they do it well. They are very patient and kind. My son loves them."
